# MURAL HALL

In the heart of Melbourne lies a chic European ballroom with soaring ceilings, sweeping stairs and city views peeking through original leadlight windows.

Located on the top floor of the iconic Myer city store, Mural Hall is so named for its impressive collection of 10 original Napier Waller murals displaying influential figures from the arts, opera, literature, dance and fashion.

Mural Hall offers a sense of modernity with a vintage overlay, and is truly 1 of the most unique spaces in Melbourne.
